It's hard to believe but summer weather has started to arrive. With that being said we will be spending more time outside. Any winter clothing can now be taken home and replaced with a light jacket/sweater and a summer hat. Yeah!!

BICYCLE SCHOOL BUS

The bicycle school bus has been a huge success. This month the children biked a total of 138 km!

THEME

June 6-10	Creepy Crawlers
June 13-17	Father's Day
June 20-24	Summer Time Fun

FIELD TRIP

Our field trip to a local farm did not work out as we hoped. The farmers are rearranging their space at this time. However, I am working on a field trip to John's Greenhouses. More info. to come.

Scholastics Book Orders

Dreams Unlimited will be starting to do book orders from Scholastics. Attached to the newsletter you will find the order forms. If you would like to order anything just simply bring the order sheet and money. Due Date is Friday June 10th.

SUMMER CAMP

Everything is now set for our summer camp for the school age children. Please note week 4 and 5 have been switched. Also, our trip to Avonlea Village and Cows have a parent share - \$7 and \$4 respectively. The centre will cover

the rest of the cost. Feel free to bring your share at any time. A reminder will be given as we get closer to the dates.

Sun screen

With the warmer weather comes Sun screen. We are going to do the same thing as last year- instead of you bringing a bottle of sun screen I am asking you to bring \$5.00 for each child you have enrolled. Once I gather the money I will purchase the sun screen. However, if your child is sensitive to certain types of sun screen I encourage you to bring the kind that is most suitable for your child's skin. The staff will apply sun screen in the morning and afternoon before going outside.

PLEASE NOTE: It may or may not be necessary to send this request out again in July or August depending on how much sun screen is left.

Parent/Educator Interviews

As many of you know approx. every 6 months you and I get together to discuss your child's developmental progress at the centre. Interviews will be June 20, 22, and 23. A sign up sheet will be posted soon.

Virtue of the Month

The virtue we will be exploring this month will be courage and reliability. The children will examine these virtues while exploring our creep crawlers - to find our courage even if we are scared of bugs and how bugs are important to our earth.
